### Hello Everyone!

This year's incoming VOA has been working hard this summer to plan exciting programs and events for you and your units. We are looking forward to bettering Central Region Area 3 and growing in our individual skills. It's not hard to see Area 3 is an amazing segment of Venturing and we are honored to get to serve you this year!

### Coming Soon:

Fall Fun Rally 2016 is near! Get ready for quite the tale to tell after a weekend of trainings, program ideas, and all around fun! This year's theme is "Tales of Adventure", which is appropriate considering the adventurous opportunities your unit will have. The event is September 26th-28th and will be held at Beaumont Scout Reservation. [Head over to the web here for pricing](#) - and be sure to reserve your spot quickly for the early-bird price!

What did your crew do this summer? We want to see! Share your photos to us for your chance to be featured on Central Region Area 3's social medias!

### **Did you know:**

Have you participated in the Scout Law Scavenger Hunt yet? Area 3 is running a contest on Facebook right now to see how you and your unit exemplify the 12 Scout Law points. It's a fun way to connect with other crews in the Area and see what they're up to. Feeling up for the challenge? *Please take the time to review this material about Venturing and Sea Scouting. Then pass it on to the Venturers, Sea Scouts, Venturing & Sea Scout Leaders, and the Scouting Professionals in your council. When emailing this information on to others, be sure to encourage them to also pass it on to others involved in Scouting in our Area. The more we all communicate about the great Venturing and Sea Scouting Programs, the more they will grow!*
