

CENTRAL REGION AREA 1 VENTURING NEWS LETTER

PRESIDENTIAL PASSAGE :

Hello! I'm Dominic Wolters, and I am humbled to serve as your 2016-17 Area 1 Venturing President. I am from Northern Star Council in Saint Paul, MN where I am a junior in high school. I am an Eagle Scout, have twice served on NYLT staff, and am active with my Order of the Arrow lodge. This term, the Area 1 team and I would like to see more activity within our councils. Venturing is vibrant, exciting, and fun- we should show that! Find out where your local council holds their Venturing Officers' Association meeting and become active with it; your passion is what fuels our program. This time of year, everyone is recruiting you for something, whether that be sports or clubs or any other number of other things. Take a moment and think about what is one thing you could do to keep Venturing growing. Could you invite a friend? Shake up your meetings with a new activity? Whatever it is, you have the power to change our organization for the better: "seize the day" by recruiting and being active.

I want to thank you all for everything you do for Venturing, and wish you every success as you "Lead the Adventure" for this coming year. If you ever have any questions, please don't hesitate to contact me at ea1president@crventuring.org

THROWBACK IN TIME DECADES OF FUN :

Here's the exclusive for the upcoming Area 1 event. First things first, have you ever traveled to a new location and felt as if you were in a different world? Well that's the feeling were hoping you'll have when you experience the Throwback in Time event with us.

Upon arrival you will be entering a time altered zone with four different stages (decades). In order to return back to reality; in order to go Back to the Future. Every stage should be completed to one's best ability. So, are you willing enough to jump into the Decades of Fun with us and experience a time so different from our own? Not only that, will you do what it takes to blend into the decades as you have in your own? (Dressing up is encouraged!) If yes, your adventure starts with these main featured events:

Silent films!

Take your portrait in the 1920's!

Swing by a 1950's sock hop!

Get your groove on at a 70's disco!

Catch em' all in the 90's!

Once completed you can take the information you learned to start your next adventure into the future where your dreams and humanity will help you survive the next decades to come.

For more Information this event will be hosted at Fred C. Anderson Scout Camp (186 Anderson Scout Camp Road) in Houlton, WI (54082) from Friday October 14th to Sunday October 16th. For the full weekend adventure the admission price is \$40 per person from Now till Sept. 23. Or if you only want to attend Saturday October 15th the admission price is \$35 per person! Nevertheless, after Sept. 23 there will be a late admission of \$50 per person. Food is included in the purchase of admission.
