Council Standards of Venturing Excellence

Is your Council's Venturing Program at the top of its game? Is your Council meeting the "Standards of Venturing Excellence"? Introduced in 2007, the Council Standard of Venturing Excellence Award is designed to give a council the roadmap to follow in developing an excellent Venturing program for our youth. In 2008, 11 councils were recognized for their outstanding Venturing programs. The two councils from Area 3 that were recognized in 2008 were Hawkeye Area Council (Cedar Rapids, IA) and the Greater St. Louis Area Council (St. Louis, MO).

Did your Council qualify? Did it submit the application? Will it qualify for the 2009 CSVE Award? Attached to this Venturing Update is a copy of the 2009 application for the CSVE Award. Take time now to review this 1 page application (it is attached to this email) and set into motion the steps for your Council to be recognized for Venturing excellence.

When all of the requirements are completed, a council will be eligible to earn the award. The Council Standard of Venturing Excellence Award is determined based on successfully achieving the 2009 criteria by December 31, 2009.

The Council and VOA leadership completes the form. It is completed shortly after the end of the calendar year for which you are submitting for the award (example, for 2009, you should complete and mail the form no later than February 15, 2010).

Recognition items will include a plaque, recognition in the Central Region newsletter, listing in the Central Region luncheon program at the Annual BSA Meeting in Orlando, and listing on www.crventuring.org

To apply for the award, fill in the council information at the top of the form, mark the requirements that have been completed, and get the requested signatures. Mail or fax the completed form to the Central Region Venturing office. The form can be found at:

<http://www.crventuring.org/document2.php?s=1&id=307>

Central Region Venturing Newsletter

Attached to this emailed Venturing Update is the July & August issues of the Central Region Venturing Newsletter designed and written by Ben Hayes, the Central Region Venturing President. We need your help in sending the newsletters out across our Area 3. Please forward them to all of your Venturing contacts (youth & adult) and professionals that work with Venturing. Increasing our communications amongst Venturers can only help to increase our membership.

Reserve your Spot for the Area 3 Venturing Conference

January 30, 2010 in Normal, IL

The Area 3 Venturing Conference will be one of the first Area level Venturing conferences held in the nation. It is designed to provide your council the building blocks for the success of your Council's Venturing Program. This one-day conference is designed to help you get Venturing "Out of the Box, and Over the Top" in your council. Whether you are just starting to build a Council Venturing structure, you are already on the path to success, or you just want to learn more information about how other

councils have succeeded, then this conference is for you.

This conference is for the 12 councils in Area 3 of the Central Region. It will be held on January 30, 2010. Just in time for the 100th Anniversary of Scouting. Let's make that year all the more memorable for the youth in your council's Venturing Program by giving them the opportunity to grow in leadership skills, and have a great time doing it.

The conference will be starting with the basics of Venturing, and moving through the steps councils in our Area and across the country have taken to reach success. Here are just some of the things the conference will be covering:

- Recruitment (how to find the right youth to lead your council's Venturing Officer Association)
- Venturing Officer Association Job Descriptions and Bylaws
- How to hold successful multi-crew events
- VOA elections
- VLSC/Kodiak/Kodiak X – It is all about developing leaders!
- National Youth Leadership Society
- Powder Horn – Why it will grow Venturing
- Venturing Awards and Recognition
- How to make Venturing communications in your council work
- A mock Venturing roundtable and much more

The cost for all of this knowledge is just \$15 if you reserve your seat by January 1st, 2010. The conference will be held at Calvary United Methodist Church in Normal, Illinois. The church is located right off I-55 and is within 3.5 hours or less of each of our council's offices. Check-in starts at 7:45am and we expect to be finished by 4:30pm. This is one day you don't want to miss. Our Area 3 Venturing President, Sarah Ward, and the 2008-09 National Venturing President, Amanda Vogt will be spearheading the conference's staff. Ben Hayes, the current Central Region Venturing President, has been invited along with your Area 3 Venturing Committee to help lead

Amanda Vogt, Area 3 Venturing Conference Co-chair

the conference. A conference flyer is attached to this Area 3 Venturing Update along with the registration form. **Register now to reserve your spot.**

If you have any questions feel free to contact Bob Vogt, the Central Region Area 3 Venturing Chair at (636) 394-6809 or revogt1@gmail.com

Facebook – Area 3 Facebook Groups

Did you know that your council has a Venturing Facebook Group? Many of our councils have developed their own Facebook Groups. Those that have not have had one established by the Central Region Venturing Communication Committee. They will be serving as the group administrator until a local youth or adult steps forwards to administer the group. The following are the links to each of our council's Venturing Facebook Groups:

Why Facebook? Simply, because that is where you will find much of the youth that we serve in Venturing. To ignore their internet social network is to lose a most valuable communication tool.

Nation's Largest Venturing Event ... The Fall Fun Rally ... Is Almost Here

Yes, the largest Venturing event in the nation is held right here in Area 3 and all Venturers are invited. Last year over 700 Venturers from 10 councils were in

attendance. Venturers from Kansas, Illinois, Michigan, Ohio and many other places all showed up. Even the National Venturing President and the Central Region Venturing President came to the event. Did you? Well don't miss the 2009 Fall Fun Rally from September 11-13.

So what is the Fall Fun Rally? Over 50 events are available and all are organized and staffed by

Venturers. This premier Venturing event is held annually at Beaumont Scout Reservation just outside St. Louis, MO. All for the cost of \$12 (including an event t-shirt), the FFR is a definite value.

The Venturing Officer's Association puts on the FFR in the Greater St. Louis Area Council. Each District VOA is in charge of part of the activities.

Here's what they have got up their sleeves right now: Rifle Shooting; Model Rockets; Blacksmithing; Rendezvous Encampment; Volleyball Tournament; Land Navigation Competition; Climbing Tower; Tabletop Display Contest; Obstacle Course; Frisbee Tournament; Sea Scouting Activities; Drunk Driving Simulation; Caving; Crafts; Horseback Riding; Shotgun Shooting; A Dance; Mini-golf; Eagle meet

and greet; Fencing; Search and Rescue; Armed Forces Demo; Crazy Building Competition; Cast Iron Chef; Dunking Booth; Venturing Skills Challenges; and much more.

The big question is ... are you going to be there with a contingent from your council? This year

they hope to break 1,000

Venturers. Mark your calendars now to join Venturers from around the Central Region at the Fall Fun Rally. A promotional video of the event can be

found at www.fallfunrally.org. Please see the event's website for more details. **A flyer and registration package for the Fall Fun Rally is attached.**

What is Powder Horn?

Powder Horn is a training opportunity designed to expose the Venturing or Boy Scout leader to activities and resources necessary to operate a successful Venturing Ranger Award or Troop High Adventure program. It does this in several ways. First it helps Venturing Leaders and Scouters to safely conduct outdoor activities of a fun and challenging nature. It provides an introduction to the resources necessary to successfully lead Venturers and older Boy Scouts through a program of high adventure. And it familiarizes the Advisor with the Ranger program so that he or she can help the Venturer to meet the requirements of the Ranger Award. This course is based on the Venturing Ranger requirements giving participants an exposure to outdoor/high adventure activities. Scout leaders will also benefit from this course when your unit participates in unit high adventure.
